New Interest Group/Club Proposal Form

INTEREST GROUP – an MMSC-recognized, self-governing, student-run body of **academic** nature whose membership and events are open to all students.

An Interest Group is meant to engage students from all years in meaningful dialogue and action surrounding the objectives set out by the group. An Interest Group that is officially recognized by the MMSC is eligible to receive funding for its operations at the discretion of the MMSC following the submission of a budget. Please check the MMSC Medportal forum for more information regarding the submission of a funding request.

CLUB - an MMSC-recognized, self-governing, student-run body of **non-academic** nature whose membership and events are open to all students. Clubs are not eligible for funding from the MMSC, but are encouraged to use fundraisers or a nominal group fee to pay for any expenses the group may incur.

Please submit this form to one of the VP Internals: jason.wang@medportal.ca (Hamilton), hira.aslam@medportal.ca (NRC), rohan.dadak@medportal.ca (WRC)

A representative from the MMSC will notify the chair within 3 weeks of the proposal submission regarding the status of their group. If you have any questions, please contact one of the VP Internals.
